

MPL 50 works hard and digs deep. Unlike ordinary penetrating oils, this specially designed, state-of-the-art formula goes to work FAST and loosens almost any part frozen by rust, corrosion, carbon, varnish, gum or paint. You can find many uses for it. This amazing formula cleans dirty, corroded machinery and aids in disassembly of equipment and pipe joints. It may also be used for cleaning fishing reels and other sporting equipment, yard tools, shop equipment and hand tools.

MPL 50

LOOSEN

LUBRICATE

CLEAN

PREVENT

REPEL

Art. No. 0893055470

Typical Properties

Color	Amber
Specific Gravity	0.79
Physical State	Liquid
% VOC	10% VOC
Evaporation Rate	>151
Flammable	Extremely Flammable Aerosol Can

Storage	Store in a cool, dry, and well ventilated area. Do not handle or store near open flame or other sources.
----------------	--

Net Weight 10 oz

Spray Pattern Tight Mist to Stream

Features

- Lubricant
- Penetrate
- Cleans dirty equipment
- Breaks free even the most frozen rusted parts
- Great on automobile carburetors
- Silicone free
- 50 State compliant

Applications

Works great on corroded machinery, aids in the disassembly of equipment and pipe joints. Can also be used to clean fishing reels and other sporting equipment, yard tools, shop equipment and hand tools. Frees stuck automatic chokes and carburetors and fuel injector mechanical linkages.

Directions

Shake can before use for approximately 30 seconds. Spray a small amount of MPL 50 on the frozen part or joint. Then tap the joint to loosen rust and corrosion. Disassemble normally and repeat procedure for extreme cases.
